**Dreamtime** page 134  **IRREGULAR VERBS LIST** page 137  **INTERACTIVE RESOURCES:**
1 Write down the names of some songs, singers or groups you know in English.

2 Work with a partner and discuss these questions.
   - Are any of your answers the same?
   - Are any of your songs, singers or groups very famous?
   - Are they your favourite songs, singers or groups?
   - Can you sing any of the songs?

3 Read the message board and find each person’s favourite singer or group.

Today’s message board topic: What’s your favourite music? And your favourite way to listen?

I’m into rock music. My favourite groups are Mayday Parade and Red Hot Chili Peppers. They’re both famous American bands. I listen to music all the time when I’m at home and when I walk to school. I don’t listen to it when I’m in lessons, of course! I download a lot of music, but I’ve got a record player and a collection of vinyl records, too. They’re old-fashioned, but they’re cool. I like the ones in bright colours best! Adriano

I usually wear my headphones and listen to tracks on my mobile. I’ve got new green headphones. They’re big, but they aren’t expensive. My sister loves One Direction and she goes to a lot of their concerts, but I don’t like them. She likes pop music and I prefer hip hop. The Black Eyed Peas are really good, but Brazilian hip hop is the best. Jessica

I enjoy dance music and I love breakdancing. I’m not very good, but it’s fun. I use online music sites and I watch a lot of music videos on my phone. I copy dance moves from friends or from videos. I practise in my room and I want to be in a video one day. My favourite track ever is Happy by Pharrell Williams. I think the music video is great. It’s a really happy song and I always dance when I hear it! Kolya
4 Read the message board again and decide if the sentences are true or false.
1 Adriano loves rock music.
2 He doesn’t like old-fashioned things.
3 Jessica has got a phone.
4 She likes the same music as her sister.
5 Kolya listens to music on a computer or laptop.

5 Read the sentences and find the person.
1 This person talks about a family member.
2 This person knows what they want in the future.
3 This person likes American bands.
4 This person talks about friends.

6 Read Word Zone. Then find opposite adjectives 1–6 in the message board.
