- 5 Dad gets up _____ me, but Grandma gets up _____. (early)

Be creative! Imagine your superpower.

One day, I want to be the _____ person in the world!

Say it! Spell it!

Can you remember my rap?

1 Number the lines of the rap. Then listen and check.

But lighter and slower than me!
 1 A beetle's the heaviest insect
 Snails are heavier than flies,
 And flies are lighter than bees.

Look at them high in the sky!
 Ducks fly more slowly than flies.
 Swans fly faster than parrots.
 Eagles fly the fastest.

2 Now write your own verse. Practise saying it!

.....

..... are than bees.

.....

But and than me!

Serkan's sounds ee and ea

1 Listen and repeat. Do the pink letters sound the same?

beetle **eagle** Yes / No

2 Look and complete. Then listen and check.

1 e a st 2 thr..... 3 gr.....n 4 j.....ns 5 p.....s 6 f.....t

3 What other words do you know with this sound? How do we spell them?

1 Circle the correct number.

1 eighty-three

83 / 803 / 8.3

2 two hundred and sixty-one

161 / 2.61 / 261

3 one point one one

111 / 1.11 / 1011

4 six thousand and five

6,005 / 605 / 6.005

5 three point eight million

3.08 / 38.00 / 3.8 million

6 seven thousand and eighty-nine

789 / 7,089 / 7.89

2 Read and write the number.

six

The biggest beetle in the world is 6 centimetres.

eleven thousand

The heaviest elephant in the world is eleven thousand kilograms.

eighteen

The longest shark in the world is eighteen metres.

two point two

The smallest ant in the world is two point two millimetres.

eight point seven

There are more than eight point seven million animal species on Earth.

3 Read and complete. Write the numbers in words.

The Burj Khalifa

- 200 floors
- 878 m high
- 900 apartments (total = 0.17 km²)
- Highest swimming pool (Level 76)
- Tallest lift 504 m

The 'vertical city'

With its ¹ two hundred floors, the Burj Khalifa is ² _____ metres high.

People live in this amazing place and its ³ _____ apartments use ⁴ _____ square kilometres of its space. There are also offices, hotels, restaurants and swimming pools.

The highest swimming pool is on Level ⁵ _____!

But don't worry because there are lots of lifts.

The tallest one is ⁶ _____ metres high.

Is the Burj Khalifa still the tallest building today? Find out online!

1 Read the fable. Then tick (✓) the correct sentences.

The crocodile and the bird

There was a big green crocodile in the river. A little brown and white bird woke him up. The crocodile wanted to eat the bird.

'Please don't eat me,' said the bird. 'I can help you.'

'I'm bigger and stronger than you,' said the crocodile. 'How can you help me?'

'I don't know, but I know I can,' said the bird.

'Silly bird,' said the crocodile. 'Go home!'

The next day the crocodile wasn't very happy.

'What's wrong?' asked the bird. 'Maybe I can help you?'

'Go away,' said the crocodile. 'My tooth hurts. You can't help me. You're too small.'

'Show me your tooth,' said the bird.

'Silly bird,' said the crocodile. It opened its mouth.

'I can clean your teeth,' said the bird. 'But you mustn't eat me.'

'OK,' said the crocodile.

'Thank you,' said the crocodile. 'You can clean my teeth every day.'

'You didn't eat me. We're friends now,' said the bird.

'Yes, we are. You aren't silly. You're brave.'

1 The crocodile was bigger than the bird.

4 The crocodile had bad toothache.

2 The crocodile ate the bird.

5 The crocodile cleaned the bird's teeth.

3 The next day, the crocodile was happy.

6 The crocodile thinks the bird is brave.

2 Plan. Choose two animals for your fable. Make notes.

Which animals are in your fable?

What do they look like?

What happens one day?

How does one animal help the other the next day?

Now write your fable. Use your ideas from Activity 2.

CLIL Video Review

Colour one of the stars and write.

The best bit is the shrimp cleaning the house – that's cute!

My comment:

1 New CLIL words Look and write.

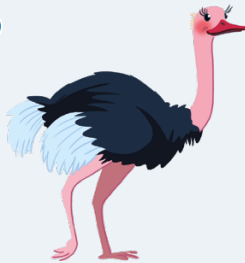

buffalo protection ostrich partnership

1

protection

2

.....

3

.....

4

.....

2 Match the sentence halves.

1 The egret helps to keep

2 The zebra and ostrich help to

3 The plover helps to clean the crocodile's teeth

4 Honey badgers and honeyguides

a and finds food at the same time.

b help each other to find food.

c the buffalo clean from insects.

d keep each other safe.

3 Read and complete.

frog spider partnership insects protection eggs

This big ¹ spider and this tiny frog live in Colombia.

They sometimes live in the same hole in the ground.

The spider eats animals, but it doesn't eat the frog. Why not?

This is because the two creatures have a special ²

Other animals are frightened of the spider and they don't come

near the frog, so the frog gets ³ from the spider.

And why is the partnership good for the spider? This is because

some insects like to eat the spider's ⁴, but the

frog eats these ⁵

eat the ⁶

Imagine, research and present

PROJECT: A wildlife garden

Who's in our group?

What ideas did we talk about?

What's my job for the research?

- What would animals like in your garden?
- How can you help animals to find food?
- How can you help animals to find shelter?
-

Research notes / Websites that we used:

Our wildlife garden has got

Getting ready to present

Read and complete the beginning of a presentation.

bat bird butterflies colours insects food garden hotel

Welcome to our wildlife¹ garden! It's got flowers for² and bees. They like the bright³ There's a bug⁴ for beetles (and other⁵), spiders and snails! They can find⁶ there. We've got a⁷ feeder in the tree. There are nuts inside for the birds to eat! There's also a⁸ nest box. Bats are cool!

Now prepare YOUR presentation.

My job for the presentation:

My word file

I know these animals.

Look and write.

- | | | | |
|---|----------------|----|-------|
| 1 | <u>insects</u> | 7 | |
| 2 | | 8 | |
| 3 | | 9 | |
| 4 | | 10 | |
| 5 | | 11 | |
| 6 | | 12 | |

Check your spelling!
Pupil's Book p.23

My language file

I can compare things and people.

Write three sentences.

I'm taller than my sister.

I speak more loudly than my friends.

My dad runs the fastest.

I can say small and big numbers.

Write the numbers in words.

0.07	<u>nought point nought seven</u>	2.5
94	681

About this unit

Think, circle and write.

My favourite **activity** / **picture** / **lesson** is on page

My comment:

.....

The fable was great.

I enjoyed the animal video.

I learned lots about insects.
