Hi! My name's Tom and I'm eleven years old. I've got some great friends. Come and meet them!

Fantastic friends

Ben is my best friend at school. He's quite tall and thin. He's got short, fair hair and green eyes, too. He's good at maths and he loves playing computer games. I like Ben because he's funny and he makes me laugh.

Fun fact! *Most children in Britain wear a school uniform.*

Do you think it's a good idea?

Leo is my friend at sports club. He's tall and strong and he's got short, black hair. He's very sporty and he's brilliant at football. I like Leo because he's energetic. I'm never bored when I'm with him!

Fun fact! *Do you know that football players run about 10 km each game? That's energetic!*

Claudia is my e-pal. She lives in Germany and we use the computer to chat and send messages. She's got straight, blond hair and she's got lots of freckles on her face, too. She's very musical and she's good at playing the guitar. I like Claudia because she's kind and she helps her friends.

Tell me about your friends!
